Re: Enforcement Staff's Investigation of Up To Congestion Transactions by Dr. Houlian Chen on Behalf of Himself and the Principals of Huntrise Energy Fund LLC and Powhatan Energy Fund, LLC, Docket No. IN10-5-000

Dear Steve:

This is to advise you that Powhatan plans to post on FERCLitigation.com the depositions of experts and others affiliated with Powhatan conducted by the FERC Office of Enforcement ("OE") in the above matter. As part of the investigative record, these depositions will provide the public with a better understanding of the issues in this case and the FERC investigative process in general – two objectives that you should support. Powhatan plans to post the depositions on June 25, 2014. If you have any objection, let me know by noon on the 25th, along with the legal grounds for the objection. If I do not hear from you or your colleagues by that time, I will assume that OE has no objection.

Sincerely yours,

William M. McSwain /mb
