Steve:

I think we're going to have to agree to disagree on this one. Powhatan has already provided you with a full and complete response to the third data request.

Regarding the meeting, I will be in touch in a separate email with some proposed dates.

Sincerely,
Bill McSwain

Subject: Powhatan's Supplemental Response to Third Data Request

Dear Bill and Earle:

I belatedly realized that in my letter of December 3, 2011, I failed to specify a due date for the supplemental Data Response, as discussed in the letter. The response in conformity with the instructions

in Attachment B to the Data Request is due on Friday, December 16, 2011.

I would also like to receive at your earliest convenience your list of proposed dates for the presentation by Dr. Tabor.

Please call if you have any questions on either of these topics.

Sincerely,

Steven C. Tabackman
