Steve:

Following up from our phone call this morning, I understand that you have denied our request for an extension until October 11th, but that you are willing to give us until October 1st. Also, you suggested that if we find ourselves in a position in late September needing more time, that we should make an additional extension request at that time.

I have also copied Dr. Chen's counsel, John Estes, on this message, so that he is in the loop.

Steve:

I wanted to see if you would agree to some additional time for Powhatan (and Huntrise) to respond to the attached preliminary findings. Among other reasons for the request is that Kevin Gates is out of the country on vacation, I was on vacation when you issued the preliminary findings and just recently returned, and we have the Labor Day holiday coming up. We would like an additional 4 weeks, until October 11, 2013. Please let me know.

Thanks,
Bill

Tara,
I apologize. At the last minute on Friday I saw a typo on p.2 and replaced it. I must have inadvertently extracted pages 2 and 3 without intending to or realizing it and then only replaced page 2. Sorry about that. A full version is attached.
Steve

Steve,

Can you send us a complete version of the preliminary findings letter? Page 3 is missing from the copy you sent us on Friday.

Thanks,
