Re: Supplemental Response to Preliminary Findings of Enforcement Staff's Investigation of Up To Congestion Transactions by Dr. Houlian Chen on Behalf of Himself and the Principals of Huntrise Energy Fund LLC and Powhatan Energy Fund, LLC, Docket No. IN10-5-000

Dear Acting Chairman LaFleur and Commissioners:

I represent Powhatan Energy Fund LLC and Huntrise Energy Fund LLC in the above matter. It is my understanding that the Office of Enforcement may be preparing to proceed with a Notice of Alleged Violations, naming Powhatan and Huntrise.

Powhatan has prepared a website in which 12 independent experts opine – on videotape and in affidavits and position statements – as to why FERC's position in this matter has no merit. Additional experts who support Powhatan will be added to the site in the future, including Shaun Ledgerwood. A representative of my clients has previously informed the senior staff of the Office of Enforcement about the existence of this website. As a courtesy, we wanted to give you an advance look at portions of this website, while the site is still non-public. You can access the website at www.ferclitigation.com. The password is Fh5J@JYHj. The password is required both to access the site and to view the videos on the site.

If the Office of Enforcement goes forward and makes the investigation public, Powhatan will release the website to the public and actively promote it, so that the principals of Powhatan and Huntrise can protect their reputations. Furthermore, if the Office of Enforcement issues any additional subpoenas or requests for information to Powhatan, Huntrise, Dr. Alan Chen or any of Powhatan's independent experts, Powhatan may go public with the website.

Acting Chairman Cheryl A. LaFleur and Commissioners
