

UNITED STATES OF AMERICA  
BEFORE THE  
FEDERAL ENERGY REGULATORY COMMISSION

Houlian Chen, Powhatan Energy Fund, LLC, HEEP ) Docket No. IN15-3-000  
Fund, LLC, and CU Fund, Inc. )

*REPLY TO ENFORCEMENT’S ANSWER IN OPPOSITION*

We write briefly in reply to Enforcement’s answer in opposition to our motion for extension. We oppose Enforcement’s proposal that we be required to file piecemeal responses to the show cause order. We now have new materials that bear on prior notice, and we have new information, in Enforcement’s answer, about where Enforcement apparently thinks the line is between “legitimate” and “illegitimate” up-to congestion trades. We should have the opportunity to file one integrated response. The Commission therefore should grant our extension request and reject Enforcement’s effort to require us to compromise the efficiency and effectiveness of our response.

Respectfully submitted,
